

Kansas Academy of Science / Kansas Entomological Society

2023 Joint Meeting at McPherson College

Abstract Submission Form

Please e-mail this form and abstract to Dr. Dustin Wilgers wilgersd@mcpherson.edu

Abstract Submission Deadline: Friday, March 24, 2023

Authors:

Authors' affiliations:

Title of Presentation:

Name of Presenting Author:

E-mail Address of Presenting Author:

Type of Presentation: _____ oral (15 min & 5 min questions) _____ poster (max size = 48" W X 36" H)

Special Symposia (select if you would like your oral presentation to be a part of one):

Entomology Symposium

Session preference (if not in a symposia, select one that best reflects the topic of your presentation):

<input type="checkbox"/> Anthropology/Archeology	<input type="checkbox"/> Cell Biology / Genetics	<input type="checkbox"/> History & Philosophy of Science
<input type="checkbox"/> Computer Science	<input type="checkbox"/> Chemistry/Biochemistry	<input type="checkbox"/> Mathematics
<input type="checkbox"/> Geography	<input type="checkbox"/> Ecology / Organismal Bio	<input type="checkbox"/> Engineering
<input type="checkbox"/> Physics and Astronomy	<input type="checkbox"/> Geology	
<input type="checkbox"/> Science Education	<input type="checkbox"/> Health and Medicine	

Students competing for awards must be first author and should be identified by number (1), (2), or (3) in author line after name as indicated below. Please check the category below if you are competing. Please select only one competition.

Kansas Academy of Science Student Competition

Undergraduate (1) Master's graduate student (2) Doctoral graduate student (3)

Kansas Entomology Society Student Competition

Undergraduate (1) Master's graduate student (2) Doctoral graduate student (3)

Abstract Requirements

The abstract must not exceed 250 words, excluding title, authors and affiliations.

Use Times New Roman font, 12 point, title in all caps. Latin species names should be in italics.

If there is only one affiliation, omit affiliation superscripts and affiliation.

If the presenter is not competing for an award – (1), (2), or (3), omit the number in parentheses.

Examples of abstract heading and format:

Caudle, K.L.¹ (1), Kaldy, J.E.², and Brown, C.A.², 1. Department of Biological Sciences, Fort Hays State University, and 2. U.S. EPA WED, Pacific Coastal Ecology Branch, Newport, Oregon. IMPLICATIONS FOR SPECIES INTERACTIONS. Physiological tolerances are a primary control ...

Please include your abstract on this page.
